

## 5<sup>th</sup> Grade Year Long Genre Study

Students are to read a minimum of 1 genre per quarter. Every book needs to be approved by Mrs. Patterson.

For each genre/book read you must complete a genre study. The genre study will be given to the student when the book is approved by Mrs. Patterson. They can also be found on the 5<sup>th</sup> Grade Reading Wiki: <http://5thgradereadingwildcats.wikispaces.com/>

The students will need to complete all of the activities in the Reading/Writing Connection. The students can choose one of the Technology Connection activities. They can complete all of them if they wish. For the Prezi Presentations, the students will use my account and just save their projects under their name.
